### **DETAILED ACTION**

This communication is in response to applicant's paper filed on 11/12/2007. Per phone conversation with Attorney Barry Schindler, on 12/31/2007, claims 1-54 are canceled.

Typo error – claim 58 line 3 “the issuance” should read “issuance”.

#### **Status of Claims:**

Claims 1-57 are cancelled.

Claims 58-60 are pending.

#### ***Allowable Subject Matter***

Claims 58-60 are pending and have been allowed.

Correction: Claim 58 line 3 “the issuance” should read “issuance”.

The following is an examiner's statement of reasons for the indication of allowable subject matter allowance:

Independent claim 58 and its dependent claims 59-60 are allowed because the closes prior art of record and references of Ramm (US 2002/0077955 A1) and David F. Babbel et al. “Inverse Floaters and Income Stability of a Debt Securities Investment Portfolio” in any combination failed to teach or render obvious to one of ordinary skill in the art, obtaining bond proceeds associated with a portfolio containing at least two bonds, wherein the bond proceeds are from issuance of the bonds by a bond issuer, wherein an aggregate bond yield is formed of a combination of the yields of each of the

bonds, and wherein the bond proceeds from the issuance of the bonds comprise at least part of the yield restricted monies. See history of prosecution.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
